Dear Brothers in Christ,

Christian greetings for the New Year, and I hope God will continue to bless and direct your well appreciated work. It is a great blessing to be a part of God's wonderful family. Working together for the cause of Christ our Lord has brought forth amazing results. For the Gospel is now heard and preached in many parts of our country where people were being misled by man-made doctrines. Today our people share the hope of the heavenly calling, thanks to "Amerindian Missions ~ Guyana".

I am grateful for the support I have received for the past years since the church was established in Moraikobai. Both the material support and the spiritual whereby I am encouraged to encourage others.

The brethren hereby send their best wishes also. We have had a successful year in 2009 where the church was boost by the campaign for Christ last July. We are working hard to keep the momentum going in terms of our everyday Christian conduct in our community. We are challenged greatly by the worldly people around us, but we are confident that God will never leave us alone to fight this warfare.

My family also sends their regards to all the brothers and sisters. Especially those that we have never met. We love you all, keep up the faith, for we know our labor is not in vain. Looking forward to seeing you in heaven.

God bless, brother in Christ,

Derrick John
